## WINTER/SPRING 2020

New Hope Bible Church, Spokane Valley, WA

### Potluck and Pictionary

Cabin fever setting in? Then make plans for a night of Potluck and Pictionary at the church on **Friday, February 21, at 6:00 p.m.**

Here's the challenge: Bring an Italian main dish, salad, or dessert to share. French bread will be provided.

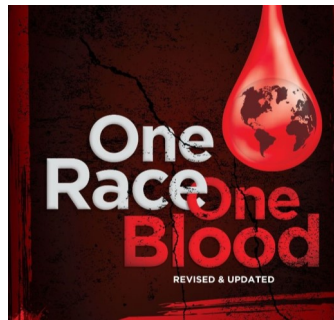

After dinner, we'll break into two teams and play a round of Pictionary on a large

white board. Be prepared to laugh and cheer on your team!

If you've met some new people lately at NHBC, please invite them to come with you so they can get acquainted and make some new friends.

### Red and Yellow, Black and White?

How many races are there . . . really? Come and learn the biblical

answer to this provocative question on **Friday, March 13, at 6:00 pm** at the church.

This question and more will be answered when we watch the one-hour Ken Ham movie, *One Race/One Blood* that shares the proof revealed in the Bible that God created only *one* race. Explore the science of genetics, melanin and skin tone, affected by the history of the Tower of Babel and the origin of people groups around the world.

Before the movie, we'll share in a potluck dinner. In honor of St. Patrick's Day, bring an **Irish** main dish, salad, or dessert to share.

### Farm Museum Tour

For those interested in the life of the settler and the farmer of days gone by, join us for a tour of the North Spokane Farm Museum on **Saturday, April 11, at 9:00 a.m.** The museum is located 15 miles north of Spokane on state highway 395; look for the signs and follow them to the farm. Cost is \$5 per person. Car pool? Call Debra at 509-226-3432.

This indoor farm museum displays machinery and farm artifacts from 1850-1950. Equipment is researched and restored to its original splendor.

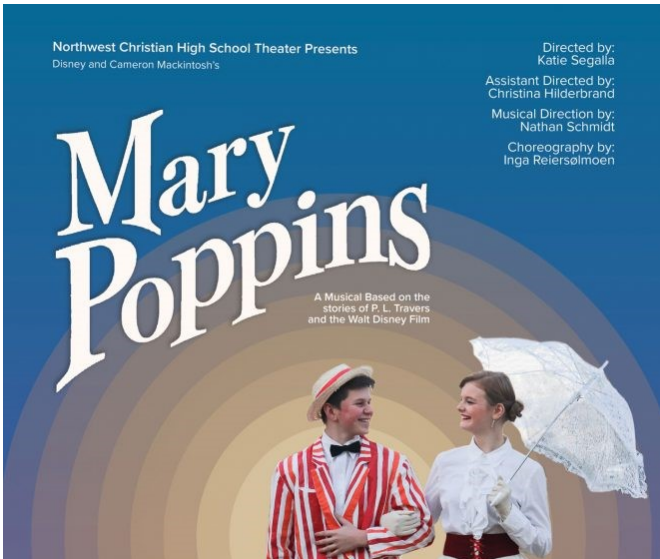

Whether you attend the tour or not, **meet us for lunch at 11:30** at the northside **Olive Garden**, reserved under the name of Prime Time.

### Prime Time Ministry Statement

To facilitate opportunities for those 50 and older to develop and enjoy friendships, support one another with prayer and encouragement, and foster fun and fellowship.

*"And they devoted themselves to the apostles' teaching and to fellowship,*

## NWCS Presents Their Spring Musical

Northwest Christian School invites everyone to their spring musical, Mary Poppins, performed at the NWCS Theater, and musically directed by our own Nathan Schmidt.

There are several opportunities to see the play. For show dates and times, along with directions to the theater, go to [nwcs.org/poppins](http://nwcs.org/poppins). Dates cover March 12-21 and include 3:00 and 7:00 pm showings. Ticket at \$10 may be purchased at the same website. Several young people from New Hope Bible Church will participate in the play.

### Upcoming Prime Time Events

Dessert social and game night on Friday, May 29, at 7:00 pm at the church. We'll play the game Apples for Apples together and celebrate spring with apple desserts and ice cream!

Road trip on the Alpha Omega bus in June. Watch for upcoming details!

Family Camp at Farragut State Park, July 2-5.

Take a hike with us in September on a local trail. More details to come.

### Life Lesson from Nehemiah: Seek the Lord's Guidance

Nehemiah was given his freedom and allowed to go rebuild Jerusalem's walls. First Chronicles 16:11 says, "Seek the LORD and His strength, seek His face continually." One of the best ways to seek the Lord's guidance is to pray and listen. Prayer is important, not only because it strengthens our relationship with God, but also because it connects us spiritually with Him and the world around us. When you aren't in a committed relationship with God and don't value the importance of prayer, it's easy to get distracted by everything going on in the world around you. When prayers aren't answered the way we want them to be, the conversation easily goes from "we" to "me." But when you routinely pray, and listen to what God is saying, the focus shifts from the personal to the needs of others, and you'll better understand what God is telling you.
